IV-D HEARING

3:54 p.m. This is the time set for Establishment Hearing. Petitioner, Arscenia Rachel Darrah, is present appearing on her own behalf prior to the hearing, but waives her appearance for the hearing. Respondent, Carlos Lopez, is neither present nor represented by counsel. The State is represented by Assistant Attorney General, Julie E. Rose, who is present for Assistant Attorney General, Julia Z. Smock.

A record of the proceeding is made by audio tape.

Julie E. Rose presents the status of this case.

The Court finds that this case has been transferred to this Court by Judge Mahoney regarding the issue of arrearages.

The Court further finds that the non IV-D case, Atlas number 000173908602, in which Mother is the custodial parent is the one in which arrearages are sought and the State has no jurisdiction in that case and has never been asked for assistance by Mother.

IT IS FURTHER ORDERED referring this case back to Judge Mahoney.

3:58 p.m. Matter concludes.
